Date: 2-4-09 (Number of pages including this cover) 7Attention: USPTOFrom: CARLY INGLEWORTH

I've tried to resolve your question
about me NOT being associated with
UPPI by calling, but I have not received
a call back by anyone.

I AM the president of UPPI and also
party to the patent.

Please reinstate the patent or return
my calls

Carly Ingleworth
President UPPI
